Welcome Back

Hello JHMA community and welcome back! 🌟

We're very excited to start a fresh new season of learning, networking, and fun events. In today's newsletter, you'll find highlights from our past events, a sneak peek at what's coming in November, and our new episodes from the JHMA podcast.

A huge thank you to our partners and sponsors who made our JHMA events possible and incredible.

Events Recap

Welcome Event- What a night! We kicked off the semester at Pangea with games, laughter, and tons of good vibes. It was also the perfect way to meet new faces, connect with friends, and other students, and start the year in a way good way. We wanted to say a huge thanks to everyone who came out and made it such a fun night.

Polish Your Profile brought students together for a hands-on evening of professional glow-ups. Students refreshed their LinkedIn headshots, joined workshops on elevating profiles to be more “professional,” and connected with partners who helped make the night possible. The vibe was practical and fun, making new connections for the semester ahead. Did you miss it? Go on our IG recap for highlights and stories!
